

# THE ROTARY World Peace Fellowship Program NEWSLETTER

## Host Area Liaison...

This is the first of six Newsletters that will be produced this Rotary year to keep Rotarians and others, interested in the Rotary Peace Fellowships, up to date with the program.

I have been appointed by Rotary International to the role of Host Area Liaison. The host area involves three districts and I have invited a representative from each district to assist me in this role. They are PDG John Feros (9600), PP Roger Crawfoot (9630) and PDG Margaret Hayes (9640).

In planning for this year we have meet together and also with the Fellows and Counsellors and with the University of Queensland staff, seeking ideas and

support for the direction we will be taking. My aim is threefold. Firstly, to publicise and promote the program throughout Australia. So many Rotarians say they want to know more about the Rotary World Peace Fellows. Secondly, to ensure the Fellows have every opportunity to travel around Australia to speak about the program and their own study and experiences and in particular to attend seminars in the Pioneer Districts who have so generously supported this program. And thirdly, to provide support to the Fellows and their Counsellors and promote Rotarian participation in the program.

Host Area Liaison

**Phone:** +61 (0)7 3870 5675

## COUNSELLORS NEEDED

Rotarians from the three districts in the host area, Districts 9600, 9630 and 9640 undertake the role of Counsellor to the Fellows. They form close bonds and it is a rewarding experience for them and their families.

We are currently seeking expressions of interest from Rotarians from the three districts who would be interested in being a Counsellor.

## Paul Harris Seminar

This year the Paul Harris Seminar will be held on Saturday 29 October from 9 am to 5pm. It will be at the University of Queensland and Rotarians are encouraged to attend. It is a wonderful opportunity to hear about the program and the work and studies being undertaken by the Peace Fellows.

After the Seminar, Rotarians and fellows will be able to mix informally at a BBQ at Rotary International Park adjacent to the University.

## GREAT SPEAKERS AVAILABLE

Clubs in and around Brisbane certainly have an advantage in that they can invite the Peace Fellows or the staff at the Rotary Peace Centre to speak at a Rotary meeting.

However the aim this year is also to promote the Fellows as speakers for District Conferences and District events throughout Australia. They have incredible stories to tell and make excellent speakers.

Two Fellows will be attending the District Conference in Tasmania.

Please let me know if you would like to invite a Peace Fellow to your conference...

## Travel Fund Being Set Up

To assist the Fellows to travel to as many places as possible in Australia for speaking engagements, a Travel Fund has been established. We would welcome any donations from clubs and Rotarians to help with this initiative.

### Cheques can be made out to:

"Peace Fellows Travel Fund"

### and sent to:

PDG Judy Magub, PO Box 2295  
Toowong Qld 4066

## Site Visit to the Centre

The third annual site visit to the Rotary Centre of the University of Queensland will be undertaken later this month by Past Rotary International Director Barry Thompson and PDG Judy Magub, working in cooperation with Professor Marianne Hanson, Director of the Centre.

## Thank you RDU...

Bob Aitkin has agreed to publish the profile of one Rotary World Peace Fellow each month in Rotary Down Under. This is a great way for Rotarians throughout Australia to get to know the Fellows.

# THE NEXT CLASS OF ROTARY WORLD PEACE FELLOWS

Rotary International has announced the next class of Rotary World Peace Fellows. Ten will be allocated to each of the seven universities with Rotary Centres for Peace and Conflict Resolution.

The University of Queensland will receive its next class in February 2006.
